

Dear Studio Friend,

---

Here is the schedule for the current month. We teach partnership dancing including Tango, Foxtrot, Waltz, Rumba, Cha Cha, East Coast and West Coast Swing to name a few. All classes are beginner except those with an "I" next to the time, which denotes an Intermediate class. With membership you get to attend **unlimited group classes**. You must start out only attending beginner classes. As you advance, you may attend intermediate classes as well. Group classes are only \$65 per person and \$120 per couple for a month long group class membership (From the beginning to the end of a calendar month.). If one joins group class because of your referral you will also receive a free private lesson as a thank you from the studio. The first group class is free, come experience it for yourself. Can't sign up for the month? Feel free to pay our **drop in fee** of \$12 per class and just take a few classes as you can.

We have an **informal dance** the second and fourth Saturday of every month, starting with a lesson. We provide refreshments, door prizes and a fun atmosphere. Admission is \$12 Singles, \$20 Couples, \$7 Teens and group class students.

We teach **private lessons**, by trained professionals, tailored to fit your needs and wants as a social dancer. The first four lessons come in a package and are half off, only \$130 for the four lessons (couple or single). This introductory rate is offered to give you a chance to experience a lesson that focuses on you and your partner.

Our staff is also trained to host a variety of **special events** including corporate functions, weddings, formals and any function where music and dance may be used.

See our calendar online at: [www.berryvilleballroom.com](http://www.berryvilleballroom.com), while there join our e-mail list under the scheduling tab to receive information on our dances and events.
